#205 - Long Wallet

Yeah.
I'm rocking a long one for the first time.
Did you buy a wallet?
Oh?
What was that for? Out of nowhere ...
Sorry. Just felt like it.
He he he.
Whoooa! Look at you!
Waah!
yoink
Got your dick!
The weather's great, ain't it?
But man ...
Only a total idiot would let something like that happen to them.
Ha ha
But aren't you afraid someone's just gonna grab your wallet if you keep it in your back pocket like that?

Huh?
You can have something too, Ishii.
I'll get something to drink.
Cheers.
Oh
A vending machine!
Calm down, Maruyama!
It's gone!
My wallet's gone!
Huh?
Huh!?
O-
Ok!
Just get something with this to calm yourself down first.
But wouldn't a long one like that be easy to steal...?
I'll be alright. I'm not an idiot.
Haa
I just got it.
Right?
That's a pretty cool wallet, Ishii.
